

ANHEL® Control Cabinet Sizing

Online questionnaire to size an ANHEL® control cabinet.

HOW TO COMPLETE THIS FORM

Fill in the form by hand or in a PDF reader. Tick the relevant boxes (☐ → ■). Where parameters are unknown, leave the line blank or write «to be determined». Return the completed form to sales@anelspb.com — our engineering team replies within one business day with a sizing proposal.

STEP 01

Contacts

Where to send the quote.

Company	Full name
Phone	Email
Position	

STEP 02

Facility

Where the control cabinet will be installed.

Facility name	Facility address
Building type	Project stage

STEP 03

Cabinet purpose

Which system the cabinet will serve.

Cabinet type

Unsure? Just write 'undecided' — we'll figure it out together.

System purpose

STEP 04

Technical parameters

Headline parameters — exact values can be refined later.

Number of pumps / valves

Power per unit, kW

Current, A

Supply voltage, V

Starting method

Power input

STEP 05

Special requirements

Climate class, communication protocols, certification, dispatching.

Climate class

Control type

Communication protocols

Certification

Additional options and requirements

Requested delivery timeline

☐ I consent to personal data processing under FZ-152.

Attach any project drawings, water analyses or specifications as separate files when you reply.
